

Dear students,

Starting this week you will be expected to complete:

- 75 minutes of French work (which might include the arts and social studies)
- 75 minutes of science per week.

Every **Monday**, there will be a **Google Meet at 1:00 PM.**

I will send you an invitation to your email once a week and we will be able to use this as a way to check-in and have a question/answer period for help with anything you might need. You can also access the google meet at the link below:

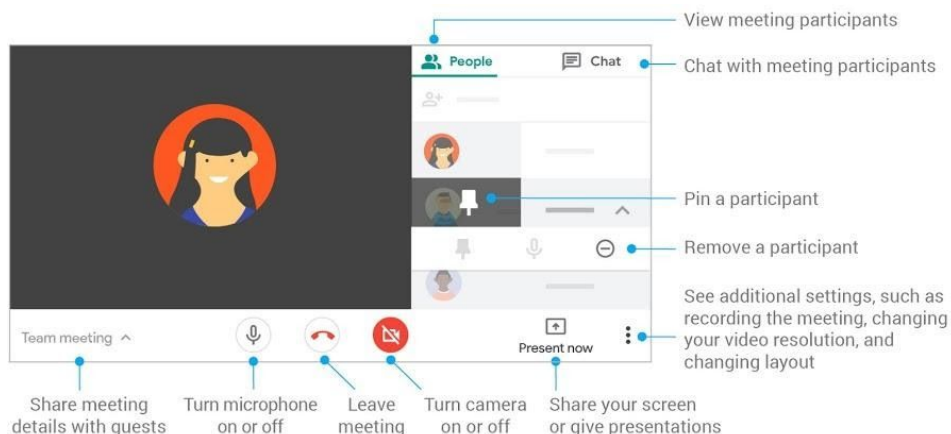

meet.google.com/aqq-aojd-ebj

Google Meet Instructions:

1. Please log in to your ocsbstudent gmail account using a computer. It will not work on a tablet unless you have downloaded the app.
2. Click on the Google Meet Email from Mme. Martin.
3. Click on Join the Meet.
4. You will be prompted along the way to turn on your camera and microphone on your device.

Once you are in the Google Meet, it is very important that you:

1. Understand that this is a **learning environment**.
2. Please **mute/turn off your microphone** after Mme. Martin says Hello. (please see picture below to show you where the microphone is located on your screen).
3. Please **listen** carefully and make sure you are **not distracted**.
4. Please use the **Chat button** located on the top right side of your screen if you have questions that come up while Mme. Martin is speaking.
5. At the end, you will be able to open your microphone to **ask questions** when you are prompted.

Also, every **Monday**, I will be sending you an email with a Google Doc like this and it will have all the work you need to complete by the Friday of every week.

All work needs to be submitted to me by email at krystal.martin@ocsb.ca or you can place it in your Hapara folder under French. Please make sure to give your work a title so I can easily find it.

Please see below for this week's work:

French

Instructions:	Assignment:
<ol style="list-style-type: none">1. Please click below and read through slides 1-15. Le français - Le 6-10 avril2. This week in French, we will focus on:<ol style="list-style-type: none">a. Reading: elements of a storyb. Grammar: how to write in the past.c. Writing: journal entry	<ol style="list-style-type: none">1. Please complete the Google Form on elements of a story.2. Please complete the exercise on the past tense of verbs.3. Please write and send me your journal entry.

Science

Instructions:	Assignment:
<ol style="list-style-type: none">1. Please click below and read through slides 1-25. Copy of Les poulies et les engrenages2. On <u>slide 15</u>, go to the website and practice using gears.<ul style="list-style-type: none">• At the bottom of some slides is a section called: Notes. Some slides might have the explanation in English to help you understand better. Other slides have the answers to some questions. Please try to answer the question without looking at the answer provided.	<p>Project: Please see below your project: Construction d'une machine - Student Copy</p> <p>You are being asked to start building one simple machine from the 3 options using materials you already have at home.</p>

If you have any questions at all, please feel free to ask me during the Google Meet or send me an email.

I will be grading your work and expect you to do your very best just as if we were in class.

Bonne chance!

- *Mme Martin*
