

Dear students,

Welcome to another week of online learning! I hope you all had a great Easter! Thank you to all those that completed the work I assigned.

The **Google Meet** will be on Tuesday (today) April 14 at 1:00 PM. Please check your email for the Google Meet invitation. As mentioned last time, the Google Meet will be used to check-in and have a question/answer period for help with anything you might need.

I will be sending you an email with a Google Doc like this and it will have all the work you need to complete by the Friday of every week.

All work needs to be submitted to me by email at krystal.martin@ocsb.ca or you can place it in your Hapara folder under French. Please make sure to give your work a title so I can easily find it.

Please see below for this week's work:

French

Instructions:	Assignment:
<ol style="list-style-type: none">1. Please click below and read through slides 1-8. Le français - Le 14-17 avril2. This week in French, we will focus on:<ol style="list-style-type: none">a.
