

Dear students,

Welcome to another week of online learning! Thank you to all those that completed the work I assigned.

The **Google Meet** will be on Monday, April 20 at 1 PM. Please check your email for the Google Meet invitation. The Google Meet continues to be used to check-in and have a question/answer period for help with anything you might need.

Every week you will be expected to complete the work sent in the Google Doc and it will need to be completed on the Friday of every week.

All work needs to be submitted to me by email at krystal.martin@ocsb.ca or you can place it in your Hapara folder under French. Please make sure to give your work a title so I can easily find it.

Please see below for this week's work:

French

Instructions:	Assignment:
<ol style="list-style-type: none">1. Please click below and read through slides 1-8.. Le français - Le 20-24 avril2. This week in French, we will focus on:<ol style="list-style-type: none">a. (Optional)* Writing: Using the past tense, write about what you did over the weekend.	<ol style="list-style-type: none">1. Please listen to the story: <i>Makwa a perdu sa maman</i> on the website Boukili.2. Answer the questions from the story.3. Please copy and paste the 5 sentences and find & correct the mistakes.4. Please complete the drama project by creating a tableau of the play (if not already done). https://docs.google.com/document/d/1TKRwefieqmv3PkWQOeWaUDRxdlH9mw0bg7UbPjlcY4M/copy

***Optional:** Can be completed if you have extra time.

Science

Instructions:	Assignment:
<p>This week, you will be focusing on completing the following science items from our pulleys and gears unit, if not already done.</p> <ol style="list-style-type: none">1. Please click below and read/review slides 1-35. Les poulies et les engrenages2. To finish our science unit on pulleys and gears, please complete the <u>Quiz</u>. (Click the link to the right for the Quiz).3. Continue working on your science project. Many of you have completed the simple machine but have not yet started on the writing component. You can find this under Partie B of the project.4. If you have completed all of the items above, please go back and review your writing. Make sure the past tense is used correctly.	<p>Quiz: https://forms.gle/1M41aFQSwFENS8cW9</p> <p>Project: Please see below your project: Construction d'une machine - Student Copy</p> <p>You are being asked to start building one simple machine from the 3 options using materials you already have at home.</p>

If you have any questions at all, please feel free to ask me during the Google Meet or send me an email. I will be grading your work and expect you to do your very best just as if we were in class. Bonne chance!

- *Mme Martin*
