

Dear students and parents(or guardians),

I just wanted to start by saying that I hope that you are all safe and keeping well during this uncertain time! I can't wait to see you all again.

Please check this blog regularly as I will be sending some work to do at home that will help you keep up those French skills throughout this time. Do the best that you can!

Please try to focus on the following for this week:

Reading: Please read the play: Louis la grenouille.

https://huronchristianschool.ca/files/Story--Louislagrenouille_262.pdf

Listening:

<https://www.idello.org/fr/explorer-ressources?page=1&sort=popularity&layout=grid> : This is a great resource that has many series that may catch your attention!

<https://ici.radio-canada.ca/jeunesse> :

<https://www.tfo.org/fr/enfants> : A resource that has some videos you may be familiar with. For the older kids Amelie et compagnie may be familiar, for the younger kids Boukili is a great one (that also ties in with one of the reading resources)

Writing: Please write a journal passage after having read the play Louis la grenouille.

Question: Quel personnage de Louis la grenouille aimerais-tu être?

- Please type your journal entry in a google doc and send it to me either through [Hapara](#) or at krystal.martin@ocsb.ca

Oral:

1. Game: Guess who?

https://www.hasbro.com/upload/guesswho/GWc_Kooky-fr_FR.pdf

https://www.hasbro.com/upload/guesswho/GWc_Sport-fr_FR.pdf

How to play:

1. Pick a character and keep it to yourself.
2. Ask a series of questions to your teammate to guess which character they chose.
3. If they say no to your question, you must cover every character on your board that does not fit that description.
4. You can only ask yes or no questions.

Ex: Est-ce que ton personnage est une fille? Est-ce que ton personnage porte un chapeau?

Science: As for science, we had started on our pulleys and gears unit.

Please go to the following websites:

<https://www.brainpop.com/technology/simplemachines/pulley/>

<https://www.brainpop.com/technology/simplemachines/gears/>

1. Watch the videos.
2. Do the quiz found to the right after watching each video.
3. Click on the related reading to further your knowledge on pulleys and gears.

- If the videos do not work, please enter the following for access:
